

M*A*S*H & be Merry

G'day

Make this Christmas special: M*A*S*H & be Merry at Battlefield LIVE.

Let us take the hassle out of planning your staff Christmas Party, and do something everyone will be talking about over their turkey this Christmas.

Enlist your team to experience an unforgettable M*A*S*H themed Christmas Party.

Arrive at Thunderbird Park and get kitted out in full camo outfits for 2 hours of outdoor laser combat with Battlefield LIVE.

Missions. Our missions are designed to encourage working together as a team, develop leadership skills, and stimulate effective communication. Teams are assigned a series of logistical, information gathering, problem-solving and/or hazard-neutralising missions which are styled around military-style scenarios.

Forest Fun. Imagine it now: it is combat fun the forest; inching forward through the rainforest before you capture the base. The atmosphere is fun filled; it is an ideal setting for your Xmas event.

Unforgettable. At Battlefield LIVE my team delivers an unforgettable experience. Our attention to detail, event experience, and understanding of the importance of your team building needs makes us the best option.

Safe & Suitable. Because there is no paint, no projectiles, it is safe and suitable for everyone. Our award winning team has developed a variety of missions to promote team building while having lots of fun! I can assist you in selecting suitable exercises and themes which will best fulfil your corporate objectives. Plus our team of professionals run – rain, hail or shine!

M*A*S*H-mas. Then enjoy a themed Asian buffet, while listening to the hits of the 1950s. BONUS: Book more than 50 guests and get a bonus Martini (or soft drink) on arrival. This fun staff Christmas party is only \$99pp (minimum 20 people). This is great fun because you can really get out in the woods in camo and go gung ho!
